## POTENTIAL BUILDERS LIST (August 1, 2007)

Avant-Gardens Development LLC has NO financial interest in any of the builders listed below. These names are simply being provided as a resource. These builders have met with the partners at Avant-Gardens Development LLC regarding home construction at Avant Gardens. These builders are familiar with the eco-friendly nature of the development and have demonstrated a basic understanding of eco-friendly construction means and methods.

In no way is this list intended to convey an endorsement, guarantee, or warranty of the individuals or their organizations. Lot owners at Avant Gardens are encouraged to meet directly with these builders, or other builders of the owner's choosing, to formulate their own opinion about the professional integrity of the individuals and their organizations.

Lot owners at Avant Gardens are reminded that ALL contractors, including builders, performing work at Avant Gardens will be subject to the Association's Declarations and Covenants, insurance provisions, and construction rules.
