Avant Gardens

Eco-friendly locations for decidedly modern homes

www.avgardens.com

A Kinder, Gentler, Greener Way of Life

Just an hour's drive from Chicago and minutes from New Buffalo, Michigan, Avant Gardens is an eco-friendly development of twenty exclusive homesites set on 103 pristine acres of lush woods and natural prairie. The gated community includes a private clubhouse, in-ground pool, and a 60-acre Wildlife and Forest Preserve — all reserved for the sole enjoyment of the residents at Avant Gardens.

Avant Gardens is located in Galena Township in the Northern-most section of La Porte County, about 10 miles from the Indiana-Michigan border and these additional attractions:

- Lake Michigan beaches
- Public and private golf courses
- Horse stables
- Nature preserves
- Four Winds and Blue Chip casinos
- Orchards and vineyards, and
- Michigan destinations of New Buffalo, Union Pier, Lakeside, and Three Oaks

Go Upscale and Get Down to Earth

The first custom home at Avant Gardens boasts a bold, modern architecture that allows expansive views of the woods to the rear and the prairie in the front. With 2 bedrooms, a bonus room, and 2.5 baths, the home embraces several eco-friendly features including radiant heat, dual-flush toilets, on-demand water heater, cellulose insulation, thermal windows, Energy Star appliances, and no-VOC paints. In addition, the house includes several luxury upgrades and enhancements such as:

- 1,400 sq foot courtyard with bluestone pavers, native plantings, and a rain barrel
- Front yard planted with native grasses and wildflowers
- 400+ sq foot screened porch with woodburning fireplace
- Custom Wood-Mode cabinets under a glass counter top
- Kohler bath fixtures
- Accent lighting from Lightology
